Empire State Development (ESD) has determined that real estate services shall be conducted remotely for all transactions, including appraisals, inspections and other services necessary to complete a transfer of real property; provided that any services and parts therein may be conducted in-person only to the extent legally necessary and in accordance with appropriate social distancing. It may become necessary in limited circumstances for a real estate licensee, inspector, appraiser or other third party to access the Property. Such access raises the possibility of potential liability resulting from exposure to COVID-19. By agreeing to permit such parties to enter the Property or by agreeing to enter the property, all parties acknowledge there is an assumption of exposure to COVID-19 and any and all consequences and/or injury which may result from such exposure, including but not limited to, physical and/or psychological injury, pain, suffering, illness, temporary or permanent disability, death or economic loss. This disclosure will help you to make informed choices about access to the Property during the Emergency.
