Leave behind the cookie cutter high-rises and enjoy the intimacy of a brand-new beautifully constructed one-of-kind new development with no compromises on style and space.

661 Driggs is a stunning modern building containing a unique collection of only eight airy and light-infused condos in the epicenter of Williamsburg proper between Metropolitan and Grand avenues, where every amenity you desire is right outside your door. A luxurious and timeless design on the inside melds perfectly with a striking minimalist façade that centers around enormous curtain wall windows and superior mid-century modern inspired masonry.

Enter through an intimate wood-paneled lobby into an elevator that takes you upstairs to the private residences where you will enjoy the peace and quiet of just two units per floor, and every single home enjoying its very own private outdoor space.

Distinguished by unusually high-ceilings and colossal clear-paned windows in every room, each of these eight homes is flooded with light all day long and offers a rare combination of designer finishes, central AC, oversized closets, and loft-like living spaces that are spacious enough for formal dining separate from your living room. Every floor in the building has just one two-bedroom and one three-bedroom home, separated by a lobby vestibule that offers each unit its own private entrance and mudroom area.

The second floor offers enviable private terraces to both units while floors three and four feature large private balconies. The top floor offers two illustrious duplex penthouses with spectacular double-height ceilings and private roof decks, each with their own distinctive vantage points from which to experience skyline and water views.

Finishes have been finely crafted by local artisans and include lavish chef's kitchens, spa-like bathrooms, massive solid-core doors, generous closets, and gorgeous wide-plank oak floors. The kitchens are truly works of art with show-stopping honed Arabescato Corchia marble countertops and islands, soft white modern flat-paneled cabinetry, large dining and prep islands, Cle' tile backsplash, and a suite of Bosch professional appliances. The richness of the materiality combined with the sheer unrivaled scale of these kitchen provides the perfect entertaining space with no sacrifices to either practicality or beauty.

Bathrooms offer an equally compelling and subtle combination of oversized ceramic slabs in natural hues, combined with striking oak vanities and mirrors hand made in Spain, and jewelry-like modern profile Grohe rainhead showerheads, faucets and tub fillers. Enjoy large shower rooms with windows and views, in addition to a tub in every home.

In addition to the sumptuous design, prepare to fall in love with the low monthlies, the voluminous indoor and outdoor spaces that need to be seen in person to be appreciated, and the incredibly convenient location, right in the center of it all including Williamsburg Cinemas, La Bicyclette Bakery, Zaab Zaab, The Butcher's Daughter, Maison Premiere, Francie, and all of the amenities on Bedford a stone's throw away including the Apple Store, Whole Foods, Domino Park, and ample subways including the Bedford L stop and McCarren Pool. You will know that you have arrived somewhere special when you come home to 661 Driggs Avenue.
