- **Source:** This map was created using a PDF of the Final Plat Subdivision Map of ZIP Millstone One, LLC & ZIP Millstone Two, LLC that was recorded with the Suffolk County Clerk on October 2, 2006. No CAD file was available from a licensed surveyor. As a result, all measurements shown herein are approximate and should only be used for preliminary planning purposes only. It is recommended that an updated survey be prepared for the lots of the ZIP Millstone One, LLC & ZIP Millstone Two, LLC subdivision, as that will provide more accurate information.
