**NOTES:**

1. Unauthorised alteration or addition to a survey made pursuant to a contract surveyor's seal is a violation of Section 1705 of the New York State Education Law.
2. This is not a true copy of the original of this survey and bearing an original and surveyor's seal and/or signature and must be considered to be a false copy.
3. Conflicting information between and not only to the person for whom the survey is prepared, but also to the public, is not to be considered as a violation of the law. The surveyor is not responsible for the accuracy of the information provided to the public. The surveyor is not responsible for the accuracy of the information provided to the public.
4. The existence of subsurface improvements or encroachments, or structures, or easements, or other underground structures, if any, are shown as easements with accuracy believed to be accurate; however, this office does not assume responsibility for their accuracy.
