

## Brooklyn Monthly Market Snapshot

February 2017

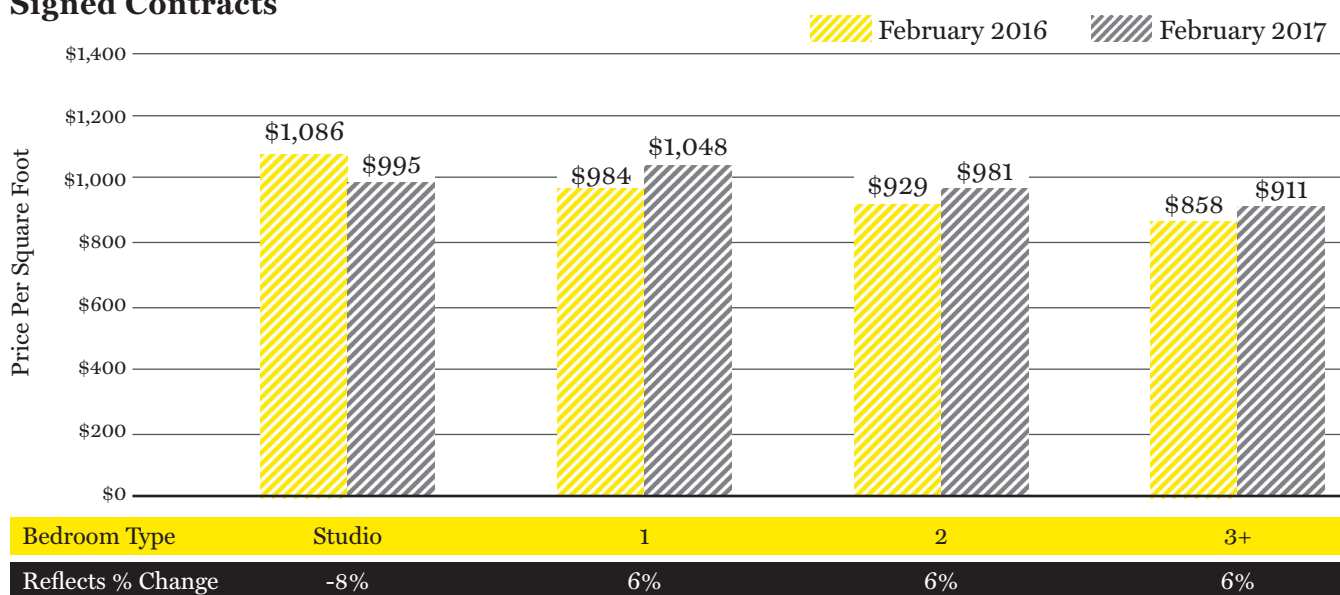

### MARKETWIDE SUMMARY

February saw a double-digit increase in contract activity versus last year, with 26% more sales. Listed inventory increased modestly, up just 3% versus last February. Median and average sale price experienced significant annual gains, with double-digit growth of 22% and 29%, respectively, marking the largest increase in pricing since March 2015. All bedroom types except for studios experienced a 6% rise in pricing over the last year, causing overall price per square foot to rise 10% year-over-year to \$880 per square foot. The trend of price discounts continued into February, with an average discount of 2.4% off asking price, and nearly half of sales traded below asking price.

### Brooklyn Apartment Listings

Total listed inventory in February rose 3% compared to last year, and was up 2% month-over-month. The annual inventory gain was solely due to condos, as co-op inventory actually declined 6%. Condo inventory was up 11% year-over-year.
