Beautiful 2 family house on a great Cobble Hill street. This 22 foot wide house is set up as an upper triplex with a garden rental. 219 Kane has four or five bedrooms in the triplex, and a huge bedroom in the garden apartment. The eat-in-kitchen is located in a large extension off the parlor floor. This brownstone has lovely original detail in archways and molding, two wood burning fireplaces, as well as beautifully preserved wide plank floors. Access to the landscaped garden can be from both parlor floor and garden level. Delivered vacant. Please email me to see this wonderful house.
