Gorgeous Dyker Heights 3-Family Townhome with Driveway and Garage
This brick home has been lovingly maintained by the same family for over 35 years. With almost 3,000 sq.ft. over three levels the home is perfect for a growing family that could convert to a large single family or easily setup as a duplex with an in-law suite or great rental income. The possibility's are endless. The is a long shared driveway with private garage. The front and rear facade were recently repointed and the stairs and front entry wall were replaced with stone and marble. The roof is only 7 years old and the backyard has been completely renovated. There is still some great original detail in the home, and the original hardwood floors are in pristine condition. Come see how you can make this your dream home.
