This is the one! Completely Renovated Brick Two-Family Townhouse in Park Slope. All the finishes are as lovely as can be, and the location couldn't be better, half a block from the 9th Street Station - the F, G, and R lines! This three story plus finished basement offers up a beautifully finished one bedroom garden level rental, and a well-thought-out owners duplex, with wonderfully executed features: Fabulous chef's kitchen - Whirlpool Gold appliances - with granite and Italian marble, Pella doors, custom window treatments, new oak floors throughout, and french doors leading to a large deck overlooking the designed-for-entertaining backyard. All this and so much more, while including the artful original stained glass, mouldings and tin ceilings of the parlor floor. All new mechanicals and electrical complete the story, along with ADT wiring. A beautiful reason to call Brooklyn home.
