Diamonds are forever but this this spacious semi-detached 1931 brick 2-story, 4-unit townhouse with 3 exposures, a finished basement, massive roof and a side egress to the rear yard is a rare find! This Bushwick Beauty won't last forever so hurry before it's gone! Situated on a 24.83 x100 lot totaling 3200 SF not including the finished basement! Consisting of (1)2-bed, (1)3-bed and(2)1-beds divided into front and back units. Talk about a versatility - you can join or separate space to creatively configure a home that could be shared by co-purchasers, or combine 2 units into 1 creating a lofty space to inspire the artist in you(see proposed plan), or maybe a condo conversion or anything you desire! A great home with rental income to offset the mortgage or a fantastic investment property! The place is move in ready and has a lot of the original details-wainscoting, wall and ceiling mouldings and original stairwells. In need of cosmetic upgrades to the kitchens and baths to suit one's personal taste but overall this is a real gem! Located in what has been coined the "East Williamsburg" section of Bushwick this hip and happening area has so much to offer- quaint eateries, plenty of shops ,restaurants and all the usual necessities-supermarkets, pharmacies, fitness centers and the Public Library is just around the corner. The L & M train is nearby too! When location, amenities and convenience matter this is the place to be!
