684 Hancock Street is a lovely two family brick townhouse. It is filled with immaculately well kept original details like parquet flooring, HUGE sliding pocket doors, and moldings around the mantels, doors and walls. There is a partially brick paved backyard space that faces south which will meet your gardening and entertaining needs. Additionally, there is an updated laundry space in the basement. This house is close to neighborhood shops and great (I mean great) dining. Also, close to local express ACJMLZ trains.
