Townhouse · Block & Lot 3227-0043 · Bushwick

TABULA RASA. This vacant land ripe for development sits in the heart of Bushwick, with 2734 buildable square feet available either as residential or commercial usage. Bushwick is the hottest neighborhood in Brooklyn at the moment, and this is a rare opportunity to capitalize on that and create brand new space in the area, devoid of the dangers of aging, existing buildings, attracting new tenants or new businesses to your property.
