Multi-Family Townhouse · Prospect Heights

Imagine a building with a curb cut & parking...a two unit duplex with a loft/industrial feel, creatively transformed and filled with possibilities. Now imagine behind this building is a quaint, rustic garden/patio area AND...wait for it...a two story carriage house. Yes, we're still in New York. This is a dream compound in Prospect Heights and the opportunities abound. Convert the two unit front building (did we mention it has an elevator?) into one large home and rent out the back house. Live in the back house and rent out the front? Or make it into your own personal oasis, with back house as guest home for friends and family or perhaps a private office or artist studio. The feel of the space is that of a sanctuary, relaxed, yet exquisite. Tuscany charm combined with Brooklyn elan.
