

345 W 121st St

Single Family Townhouse • Block & Lot 1948-109 • Upper West Side

This magnificent renovated single-family townhouse is located on one of the most beautiful tree lined streets in Harlem. The grandeur of the home is striking as you take in all the original details; 7 fireplaces, mahogany woodwork, elaborate doorframes, rich moldings, soaring ceilings, original cabinetry, luxurious antique mirrors and much more. While the home benefits from all the charm and detail of turn of the century New York style, the townhouse features a modern bright and gracious layout with all the conveniences of modern living. On the garden level, the gut renovated cook's kitchen includes modern appliances including a 48" Wolf range, 42" GE Monogram refrigerator, Kitchen Aid dishwasher, warming drawer, hot water dispenser and microwave. Step outside to enjoy the dining patio and fully landscaped garden, or relax inside the spacious living room / dining room adjacent to the kitchen. The parlor evokes warmth and elegance with a grand foyer, and two parlors, front and back. There are 4 large bedrooms, 2 full-baths and 2 half-baths, a home office and a finished recreation room in the basement along with tons of closet space throughout the home. Near transportation, shopping, restaurants and entertainment, this home is a spectacular opportunity that must be seen to be fully appreciated.
