A unique opportunity with endless possibilities! An old fashioned veranda welcomes you to this charming wood-frame farmhouse built circa 1860 on an oversized lot measuring 25X100'. It has 5,000 sq. ft. of buildable space, a driveway and giant two-story garage. The main floor features a cozy living room with wood burning stove and large light-filled eat-in-kitchen. There is a finished basement below and three bedrooms and bath upstairs. The private driveway leads to a large and lovely backyard and loft-like garage.
